## Education

---

### Bachelor of Science in Software Engineering

2026 – Present

Sheger Institute of Technology (SIT), Ethiopia

Pursuing hands-on training in full-stack development, algorithms, and system design.

### High School Diploma

2021 – 2025

ODA SBS, Bishoftu, Ethiopia

Elected **Student Body Council President (2022)** – led 500+ students in innovation & community initiatives.

### STEM Trainee & Fair Alumni

2023

Foka STEM Center – Participated in science fairs and engineering workshops.

## Technical Skills

---

- **Languages:** Python, JavaScript (ES6+), C++, SQL
- **Frameworks:** Next.js, Django, React

- **Tools:** Figma, Git, VS Code, Postman, Canva, Adobe Suite
- **Soft Skills:** Public Speaking, Leadership, Event Coordination, Multilingual (English, Arabic, Oromo, Amharic; basic Chinese & French)

## Projects

---

- **CemX** – Desktop cement exchange platform (Figma UI + logic design)  
[GitHub](#)
- **CareerPathX** – Responsive career guidance website (HTML, CSS, JS)  
[GitHub](#)
- **EDUHACKS** – Telegram-based educational content hub for Ethiopian students  
[Telegram Bot](#)

## Achievements & Leadership

---

- **Yale Young African Scholars (YYAS)** – Alumni, 2024 College Prep Program
- **NASA Space Apps Challenge** – **Galactic Problem Solver** Award
- **Space Way 2024** – **CubeSat Project Launch Winner** (Development Lead, Pioneers Team)
- **Brighter Generation Leadership** – 2024 Summer Volunteer & Trainee

## Media & Interviews

---

- **Bishoftu City Media** – Innovation & Automotive Industry  
[Watch](#)
- **Addis Media Network (AMN) TV** – Student Community Support
